

AJ ARORA

1020 Joseph Street ▪ Lafayette ▪ IN ▪ 47905 ▪ 765.425.4218 ▪ arora0@purdue.edu

JOB TARGET

Challenging internship position in the information technology industry.

EDUCATION

PURDUE UNIVERSITY, West Lafayette, IN

BS Degree Program - Graduation Date: May 2008.

Major: Computer Science Minor: Economics

Project Coursework Includes: Developing a customized server solution for a model company, independent studies of famous testing and code inspection failures, efficiency algorithms & memory management, and coding in C/C++, and Java (J2SE 5.0). Also real-world studies of global micro/macroeconomic issues.

EXPERIENCE

ACS, CORP, Pendleton, IN

Owner – November 1999 to Present

I declared as a sole proprietorship at the age of 13 & established a corporation in 2004. I became the premier technical and desktop support provider in the area. Earned a reputation of immediately responding to trouble tickets to research, diagnose, document, and resolve technical issues surrounding Windows, Office, e-mail, internet connections, and hardware/peripherals.

PENDLETON MOTEL, Pendleton, IN

Manager – May 2000 to August 2004

I maintained through a home-grown implementation of Resort Data Processing (RDP) model with the Internet Reservation Module (IRM). Processed income statements, balance sheets, and printed ledger reports from night audit. I corresponded with guests in taking reservations, processing check-ins, and handling complaints in a professional manner. I also scheduled, trained and supervised staff arriving for daily shift.
