Fluent in English (TOEFL: 287/300), Hindi and Oriya.

- ◆ **Work Experience**

Teaching Assistant for CS110

West Lafayette, IN. January 2008 - present

Teach two lab sections and grade assignments. Also come in for office hours where students come in to discuss questions about homework, examinations or lab assignments.

Transworld Information Services, Teledata

Walnut Creek, CA. June 2007 – August 2007

Intern: Worked on a three-tiered architecture project used to print the order details for an end user using Java, XML, XSL-FO, JDBC and deployed a servlet as a frontend. The project extracted data from an existing database using JDBC drivers and then using XML and FOP a PDF file was created for the end user.

Meredith Hall RX Club

West Lafayette, IN. September 2005 – May 2007

Webmaster: Voluntary position maintaining the Club's website. Used basic HTML skills and an HTML editor.

Earhart Dining Court

West Lafayette, IN. September 2005-July 2006

Student Associate: Helped around the dining court organizing, cooking and keeping everything in shape during eating hours.

- ◆ **About Me**

I am a member of the National Society of Collegiate Scholars (NSCS).

I have an F1 Visa which allows me up to 10 months of OPT/CPT.

Ideally I would like to work in the UK or India after graduation.

I am interested in learning more about Artificial Intelligence and Real World Simulations.
