RE: 2010 College of Science Graduate Student International Travel Grant

Dear Ariful:

I am pleased to inform you that you have been awarded a 2010 College of Science Graduate Student International Travel Grant not to exceed \$600.00 for participation in the following activity:

10th International Workshop on Algorithms in Bioinformatics, Liverpool, UK 9/6/10 – 9/8/10

Please be advised, this award is contingent upon written verification of your active participation in the above conference. A copy of this confirmation should accompany the request for payment of your grant award.

Your 2010 Graduate Student International Travel Grant may be used for any approved travel costs associated with the travel award up to the amount of the grant. Additional sources of funds may be used for other allowable costs.

Your grant award will be processed using the Purdue “Request for Authority to Travel on University Business” (Form 17), and “Request for Reimbursement of Travel Expense” (Form 25). To receive your College of Science Graduate Student International Travel Grant reimbursement you are asked to contact your departmental business office.

If you find that you will be unable to accept the grant, please send written notification [email is acceptable] to harshvar@purdue.edu. Your grant funds will then be reallocated and made available for other graduate student travel grant award(s).

Congratulations, once again, on your award and I hope your travel will be intellectually fruitful and rewarding.

Sincerely,

Dr. Harshvardhan
Associate Dean for Graduate Education and
International Programs, College of Science
