

# How to Add a Paper to Lab Wiki

Step 1: Go to lab wiki <http://wiki.cs.purdue.edu/cgvlab/> **Internal** page, login with your credentials.

Step 2: At the bottom of the page, go to **Publication Editor**.

Step 3: (Optional) Add authors to the system.

Step 3a: Click **Edit People**.

Step 3a: Go ahead and **Add New Person**. You can also **Edit/Delete** an author at this page.

## CGVLab People Editor

Submit

Step 4: Now it's time to actually do some work, to add a paper.

Step 4a: Go **Edit Publications**.

Step 4b: **Add New Publication**.

## CGVLab Publication Editor

[Add New Publication](#) 

<a href="#">Edit</a> <a href="#">Delete</a>	268	Guided Proceduralization: Optimizing Geometry Processing and Grammar Extraction for Architectural Models	Computers & Graphics	vol 74, p. 257-267	journal
--	-----	--	-------------------------	-----------------------	---------

Step 4c: Leave **Internal ID** blank and fill in other fields (if applicable).

It's recommended to have **Year** filled, as well as a link to the actual paper **PDF URL**.
