

How to be a Web-czar

- For normal webpage edits, use "Edit Page" button at the bottom of that page
 - To insert an image, use "Add images and other files" button in page editor
 - To upload other files, upload to [\\arcturus.cs.purdue.edu](https://arcturus.cs.purdue.edu), use "servers\[YourPurdueCareereAccount]" for user name
- For user management, use "Admin/User Management" button
- To update mailing lists, ssh to data.cs.purdue.edu and use mailer command
 - Check "mailer help" for more details
