Puzzle day

CSWN First Annual Puzzle Day!

Tech is saturated with Hackathons...
How Do We Stand Out?

- Full day of team competition, brain power, and fun for all genders and majors who love problem solving
- Puzzles include image puzzles, word puzzles, and math puzzles...not physical jigsaw puzzles!
- T-shirts, pizza, prizes, and an overarching theme to tie it all together!

We are starting to look for sponsors for t-shirts and prizes! 😊
