Department of Computer Science :: Purdue University

## Welcome!

The Graduate Student Board (GSB) is an official student organization that represents the Computer Science graduate students at Purdue University. Our main objectives include:

- *Social Events* - the monthly food and fun that we're best known for
- *Representation* - in department, college, and university committees
- *Travel Grants* - for students without other conference travel support
- *Mentoring* - where old and new students exchange Q&A over Pizza

Here is the [information that was provided at the new graduate student orientation GSB Q&A](#).
