CS190

BoilerMake: Career Fair 2.0

- What is a hackathon?
- Vision: to support the development of personal relationships and remarkable student projects
- Past success - “Career Fair 2.0”
- **Contact: sponsors@boilermake.org**

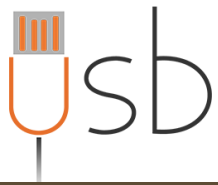

CS Help Room

- Open to all 180/240 students
- Mon - Thurs nights from 7-9pm in LWSN B158
- USB currently employs ten student tutors
- Two tutors per night
- Average attendance: ~10 students
- Currently investigating possibilities to expand
- Service more classes? Tutor accountability?

Technical Interview Workshop(s)

- Company led interview workshops
 - Go over technical questions
 - Best practices and tips
 - Remote interview tips
- Mock Interviews
 - One on one
 - Technical interviews
 - Potentially during company days

Both require company engineers to participate.

Demo Day

- Demo personal projects
- Open to everyone
- In Lawson Commons
- Fall: Oct. 25 (weekend after BoilerMake)
- Spring: during the Spring Mixer

Yelp Server Project

- Yelp is donating servers to USB
- Hosting provided by CS Department
- Providing new services to CS Undergrads
 - Heroku Clone (Dokku)
 - Providing hosting for other student orgs
