

**ASSOCIATION OF MULTICULTURAL COMPUTER SCIENTISTS**

# ABOUT US

- We are a special community- “home away from home”
- We provide professional and academic resources to multicultural students in Purdue’s Department of Computer Science
- Anyone who appreciates diversity is welcome!
- Flexible and here to help you!.

# WHAT IS DIVERSITY FOR US?

We are an umbrella to various communities such as :

- Underrepresented Minority (African American, American Indians/ Alaska Natives, and Latinos)
- LGBTQ Community
- International Students
- Women in Tech
