BoilerMake: Career Fair 2.0

- What is a hackathon?
- Vision: to support the development of personal relationships and remarkable student projects
- Past success - “Career Fair 2.0”
- Contact: sponsors@boilermake.org
CS Help Room

- Open to all 180/240 students
- Mon - Thurs nights from 7-9pm in LWSN B158
- USB currently employs ten student tutors
- Two tutors per night
- Average attendance: ~10 students
- Currently investigating possibilities to expand
- Service more classes? Tutor accountability?
Technical Interview Workshop(s)

● Company led interview workshops
  ○ Go over technical questions
  ○ Best practices and tips
    ■ Remote interview tips

● Mock Interviews
  ○ One on one
  ○ Technical interviews
  ○ Potentially during company days

Both require company engineers to participate.
Demo Day

- Demo personal projects
- Open to everyone
- In Lawson Commons
Yelp Server Project

- Yelp is donating servers to USB
- Hosting provided by CS Department
- Providing new services to CS Undergrads
  - Heroku Clone (Dokku)
  - Providing hosting for other student orgs
Diversity
Misc

- Cook-In
- Freshmen Tshirts
