This world is so beautiful
It is because of you, my Lord,
I am so happy
It is because of you, my dear Lord.

In sadness, and otherwise,
You are near, in disguise.
In stormy and other nights
I do not fear, 'cause you are in sight.
When the fortunes tumble, or they rise
Humbly I seek your advice.
In life, and in death
dear Lord, I see you on my side.

Thank you, thank you,
Thank you my Lord.
