

Materials from Ullman's book

It will help you learn about CC ideas on 2PL, optimistic, time stamps) and about transaction failures and help you do the hm work.

You may read the papers on CC under handouts

<https://www.cs.purdue.edu/homes/bb/cs542-11Spr/cc.pdf>

and check sections 2 up to 2.3.2

You may read slides on chapter 21 (7th edition) up to slides 21-22 and then 27-29 for answers to hm work

https://www.cs.purdue.edu/homes/bb/cs448_Fall2017/lpdf/Chapter21.pdf

Logs, failures, serializability is discussed in slides for chapter 20

https://www.cs.purdue.edu/homes/bb/cs448_Fall2017/lpdf/Chapter20.pdf
