**We're asking you to make a financial contribution if Piazza has delivered value to you this term** ([Why am I seeing this?](#))

You are seeing this prompt because your school has not purchased a Piazza enterprise license (administrators, [click here](#) to obtain a license). Contributions from users like yourself allow us to continue offering an unpaid version of Piazza. If Piazza has delivered value to you, take a minute to make a financial contribution. This prompt goes away for the remainder of the term after you've made a contribution. If you are one of our contributors, we thank you.

**I want to work towards a 'flipped' classroom.**

- Post video lectures.
- ~20-30 mins one week will be *strongly recommended* for class logistics
- Other times will be for questions, feedback, supplements, etc.
