Lecture 4

Quick overview of optimization software
- compare a few different types
- see how to use them
- a “famous” ML problem: least-squares!
  (Probably next time…)
- a “famous” game: Sudoku

Logistics
- HW1 used
- TA Office Hours - Friday 10am HAAS 115.
  My office hours finalized soon.

No current feedback on
- late policy
- piazza (ads) vs. campuswire
