Supplemental Materials for “Interactive Sketching of Urban Procedural Models”

1 Source Images for Figure 13
Figures A and B show the created 40 buildings and their source images that we used as inspiration. Figure A shows the first 20 images from ImageNet using “office building” as keyword and the generated buildings, while Figure B shows the first 20 images from Flickr using “building” as keyword and their counterparts.

Figure A: The first 20 images from ImageNet using ”office building” as keyword are used as inspiration to generate 20 buildings.
Figure B: The first 20 images from Flickr using "building" as keyword are used to generate 20 buildings.
