Purdue University
College of Science

MINOR IN
COMPUTER SCIENCES (CS)
(Effective Fall 2006)

To obtain a minor concentration in Computer Sciences, students must pass with grades of A, B, or C:

> *Five CS courses that fulfill **CS major** requirements.*

All five courses must be taken at Purdue University – West Lafayette Campus.

	Course	Course Title	Credits
____	C S ____	_____	____
____	C S ____	_____	____
____	C S ____	_____	____
____	C S ____	_____	____
____	C S ____	_____	____

Only one CS 49000 (3 credits), can be used.

None of the following can be used:

* "CS _9000" courses at other levels
* CS independent study courses
* EPCS courses (EPICS).
* CS courses numbered below 18000
* CS 23500

All pre- and co-requisites must be met.
The Course Prerequisite Chart may be helpful in selecting the five courses
